Dear Mr. Quincy

PS I had made every arrangement to visit you on yesterday but the day was so rainy and we had nothing but an open buggy to ride in that we thought it was would not be prudent for us to turn out and as we could not come Monday it was out of my power to come at all this week as it is my week south on the 21st. And I know not whether I shall be able to come at all now.

We are all well at present as also Mr. Cooper and family.

Mr. Brook family all well now. Robert and Gilbert have been sick.

Mr. Brook has sold his mill stone and the house in which he lives. This has Mr. Phelps of Somerset own them all. I know what I hear. He has done well. He has sold the whole estate to him for about thirteen thousand dollars.

He is going to Somerset to live. I should be glad to see you as I have many things to say to you about matters and things.
